

NEW

THE NEW CONCEPT 40 LOUDSPEAKER

Q Acoustics introduces 'Concept 40', an elegant new floorstanding loudspeaker which sets new standards of sonic performance at its price.

Award-winning pedigree

In common with the Concept 20, its award-winning little brother, the new Concept 40's unparalleled soundstage and sheer musicality is achieved by incorporating outstanding drive units into a lacquered, State-of-the-Art, 'Gelcore™ Construction', ultra-low resonance cabinet.

'Gelcore™ Construction, specially developed for acoustic enclosures, is in effect a 'cabinet within a cabinet', separated by a resonance absorbing compound. This enables the drive units to simply reproduce music, unencumbered by the level of cabinet induced distortions found in conventional designs.

Q Acoustics Concept 40 Specifications:

Enclosure type:	2-way reflex with double woofer
Bass Unit:	2 x 125mm
Treble Unit:	25mm
Frequency Response:	53Hz - 22kHz
Nominal Impedance:	8 Ohm
Minimum Impedance:	4 Ohm
Sensitivity:	90dB
Recommended Power:	25 - 150w
Crossover Frequency:	2.3kHz
Dimensions H/D/W mm:	972 x 288 x 380
Weight:	18.5kg
